

UDOT Region 2 Construction Update – Thursday, July 2, 2009

Salt Lake, Summit and Tooele Counties

LITTER HURTS: www.litterhurts.utah.gov

Litter becomes deadly when drivers encounter objects on the road and swerve to miss, or items are kicked up by one car and thrown into the windshield of another.

This holiday weekend, do you part in keeping Utah's road safe and clean by properly securing the cargo in your vehicle. Taking a few extra minutes could be the difference between live and death.

The following information outlines UDOT Region 2 road construction and maintenance activities that may result in traffic delays or road closures. **For your convenience, new information and upcoming traffic impacts appear in red text on the hard copy. Short term, continuing impacts are listed in green.** To get additional information on these and other Region 2 projects in Salt Lake, Tooele and Summit County, visit www.udot.utah.gov and click on "Projects and Studies."

***All work schedules are subject to changes due to weather, emergency or equipment issues.**

****HIGHLIGHTS IN THIS ISSUE****

- State Street on-ramp to westbound I-80 now **Open**
- Restriping continues at night on northbound and southbound I-15 with ramp impacts north of 3300 South
- Most projects will suspend work activities through the holiday weekend for the convenience of the traveling public

Salt Lake County **FREEWAY PROJECTS**

Interstate 15

I-15, 500 NORTH TO THE NORTHERN I-215 CONNECTION; EXPRESSLink

EXPRESSLink will add an Express Lane in each direction. General impacts include over-night and non-peak daytime lane closures on I-15 and US 89.

UPCOMING: The 1100 North bridge will be removed in mid September.

On I-15:

July 6-10: Watch for flaggers on the southbound U.S. 89 on-ramp and the southbound 600 North on-ramp throughout the week.

On U.S. 89:

July 6-10: Southbound U.S. 89 will be reduced to one lane daily near the Beck Street Bridge for shoulder expansion associated with bridge construction.

Tuesday, July 7: The Southbound off-ramp from I-15 to U.S. 89/Beck Street will be CLOSED from 10:00pm to 4:00am Tuesday, July 7 for barrier placement and striping. Motorists are advised to use 600 North as an alternative.

ONGOING

Traffic will remain in the new 3x2 lane configuration on the east side of the Interstate (the old northbound side) until late Fall 2009. Reversible lanes are in use to favor peak traffic flow and provide

- Three lanes southbound, two lanes northbound for the morning commute
- Three lanes northbound and two lanes southbound for the evening commute

The lanes will be shifted on weekdays to maintain three lanes in the peak direction.

Some weekend and nighttime lane restrictions may occur. The southbound on and off-ramps at 2300 North and 900 West will remain closed through late Fall 2009. Additional ramps closures are anticipated for later in the summer.

Alternate Routes & TravelWise:

Motorists should expect some delay and are advised to use alternate routes such as Legacy Parkway, I-215, and I-80, take Frontrunner or vary commute times.

Suggested alternate routes include Legacy Parkway, I-215, and I-80. UTA Frontrunner also provides a pleasant and efficient way to avoid construction entirely.

UDOT and its partners are hard at work addressing challenges to help make our existing transportation system work better. **TravelWise** tactics include carpools, ridesharing, vanpools, public transit, biking, walking, flexible work schedules, telework and much more. Visit www.TravelWise.utah.gov to learn more.

Highway Advisory Radio 1530 AM in the project corridor

11400 SOUTH INTERCHANGE ON I-15, NEW INTERCHANGE CONSTRUCTION

NOTE: **Traffic control is in place on I-15 in this area at all hours for the safety of construction workers and the traveling public. Crews are off the road during peak hours**

CONTINUING

WHERE: 11400 South under I-15

WHEN: Periodically through completion of Interchange construction

WHAT: Watch for intermittent one-way flagging operation at the I-15 bridges

WHY: To accommodate Interchange construction

WHERE: 10600 South southbound on-ramp to I-15

WHEN: Through 2009

WHAT: Watch for lane reduction on the ramp

WHY: To accommodate lane shifts at 11400 South

WHERE: 12300 South northbound on-ramp to I-15

WHEN: Through 2009

WHAT: --The ramp meter is inactive

--Watch for lane reduction on the ramp

WHY: To accommodate lane shifts at 11400 South

NOTE: Watch for traffic congestion near 12300 South and 10600 South especially during the morning commute

ONGOING

WHERE: I-15 at 11400 South

WHEN: --Mondays through Saturdays from 7 a.m. to 6 p.m. with schedules subject to change and occasional night & weekend work.
--Completion is anticipated in fall 2010.

WHAT: Watch for ongoing shoulder work and occasional short term lane closures on I-15 between 12300 South and 11400 South for the duration of the project.

WHY: Crews will construct a new I-15 interchange at 11400 South with new auxiliary lanes northbound and southbound between 11400 South and 10600 South. The work is a part of the 11400 South, State Street to Bangerter Highway Project. (For information on that portion of the project please see listing under "11400 South".)

CONTACT: Wendy at the Project Hotline, 801.696.4865, or by email, 11400south@utah.gov
M. Farah 2590

I-15, 10600 SOUTH TO 600 NORTH (includes I-80 East & West, SR 201 Ramps);

RESTIRIPING

NOTE: Work on this project is extremely dependent upon weather and equipment availability. The dates and locations listed below are approximate and may change due to conditions beyond the contractor's control.

UPCOMING

WHEN: Monday through Wednesday night, July 6 to July 8 from 9 p.m. to 5 a.m. nightly

WHERE &

WHAT: --I-15 northbound & southbound between 3300 South & 600 North, mainline lane and ramp restrictions

--Watch for short-term full ramp closures at:

SR 201 eastbound to I-15
1300 South on-ramp to I-15 northbound
I-80 East to I-15 northbound
I-15 southbound 600 North on- & off-ramps
500 South on-ramp to I-15 southbound
400 South HOV on-ramp to I-15 southbound
I-80 west eastbound to I-15 northbound/southbound/city center
I-15 southbound on-ramp to I-80 eastbound
I-15 southbound to SR 201 westbound
I-80 westbound to I-15 northbound/southbound

ALTERNATE ROUTE: I-215 West & East

ONGOING

WHERE: I-15, 10600 South to 600 North

WHEN: Saturday through Thursday nights from 9 p.m. to 5 a.m., through July

WHAT: Watch for lane restrictions along I-15 and full closures on the freeway ramps

WHY: Crews are restriping the freeway as part of a warranty agreement put in place during I-15 reconstruction

CONTACT: Boyd Zollinger, Epoplex, 1-801-209-3614

10600 SOUTH INTERCHANGE ON I-15, LANDSCAPING

This project is nearing completion. Thank you for your patience and cooperation during construction.

CONTACT: Jayson Christensen, (801) 879-5571
P. Tang 2003

Interstate 80

I-80 AT 2300 EAST, BRIDGE CONSTRUCTION AND REPLACEMENT

NOTE: The 2300 South westbound on-ramp will open for traffic on Thursday, July 2 at 7 p.m. through Monday, July 6 at 9 a.m. After that time the ramp closures will continue on the regular schedule

CONTINUING

WHERE: 2300 South westbound on-ramp to I-80
WHEN: Monday through Saturday, 9 a.m. to 7 p.m., through early August
WHAT: Full closure, 9 a.m. to 7 p.m.
WHY: The daytime ramp closure will allow crews to work on the new bridge without disrupting the morning commute

ONGOING

WHERE: I-80 at 2300 East
WHEN: Work begins June 22
Placement, October 2009
WHAT: New bridges will be constructed next to the existing structures, and then slid into place following the demolition of the old bridges.
WHY: The bridges at this location are in need of replacement

CONTACT: **This is an Innovate 80 Project.** For more information call 1-888-I80-UDOT (480-8368) or visit the Innovate 80 Website, www.udot.utah.gov/innovate80, or email Innovate80@utah.gov
J. Birtcher, 2581

I-80, STATE STREET TO 1300 EAST & CROSS STREETS NEAR I-80; RECONSTRUCTION

NOTE: To facilitate holiday travel, crews will be off the road beginning on Friday, July 3. Work will resume on Monday, July 6. For the safety of the traveling public, traffic control will remain in the work zone during this period.

NEW

WHERE: State Street westbound on-ramp to I-80
WHEN: Friday, June 26
WHAT: The ramp is OPEN

CONTINUING

NOTE: Watch for intermittent flagging operations on side streets

Exit & Ramp Closures

WHERE &
WHEN: 1300 East off-ramp from I-80 westbound—closed through early August
State Street eastbound on-ramp to I-80—closed through late summer '09
700 East eastbound on-ramp to I-80—closed through early fall '09
700 East eastbound off ramp from I-80—closed through summer '09
1300 East loop ramp to westbound I-80—closed through summer '09
WHY: To facilitate freeway reconstruction and bridge deck placement
NOTE: Ramp dates are subject to change due to weather and construction issues. The dates listed are estimated and may change as construction progresses

WHERE: Southbound 1300 East
WHEN: Currently through early July
WHAT: 1300 East southbound near I-80 restricted to 2 lanes
WHY: Sidewalk placement

OVERVIEW

WHERE: I-80 from State Street to 1300 East
WHEN: Daytime and nighttime hours through fall 2009 (nighttime work will take place only when necessary)
WHAT: Traffic has switched to the north side of the freeway
--3 westbound lanes open at all times
--3 eastbound lanes open daily during peak hours, 2 eastbound lanes during off-peak hours
--Eastbound I-80 restricted to 2 lanes Monday through Thursday during off-peak hours
WHY: This project adds one general purpose lane in each direction throughout the corridor and auxiliary lanes, from interchange to interchange, on I-80 between State Street and 1300 East. Full bridge replacements are underway for the 300

East, 500 East, 600 East, 900 East and Highland Drive structures, along with a bridge deck replacement at State Street.

NOTE:

- Please use caution and pay attention to your surroundings when traveling through the work zone. Traffic flows can slow abruptly.
- Oversized loads are restricted through the area. Due to narrowed lanes, large truck traffic is encouraged to use alternate routes
- Watch for construction vehicles entering and exiting the construction zone.

--**Slow down!** The speed limit is 55 mph through the construction zone. From mid March, 2008 through March 21, 2009, **UHP has issued nearly 3,000 traffic citations for speeding in the I-80 work zone.** Increased patrolling by UHP has decreased accidents significantly, with 29 crashes reported in the work zone through March '08 and only 9 minor crashes reported through March '09. Fines for speeding in this area have been enhanced.

WARNING: The loop ramp at 1300 East is closed through summer, 2009, to maintain safety for drivers and workers on the project. Drivers who use the loop ramp during that time will be ticketed (with fines reaching \$600).

CONTACT: Carlye at the project hotline, (888) 718-1069, by email, i-80@hwlochner.com, or visit the project Website, www.udot.utah.gov/i-80
J. Montoya -2215

I-80, VARIOUS LOCATIONS; BRIDGE RESURFACE

WHERE: Bangerter Highway from approximately 800 South to I-80 eastbound exit
WHEN: Monday, July 6 at 6 am through Friday, July 10
WHAT: Lane closure on northbound lanes. One northbound lane open.

WHERE: North Temple exit from Airport
WHEN: July 6 at 6 am through Friday, July 10
WHAT: Left lane closure. One lane open.

WHERE: I-215 over Indiana Avenue (approximately 800 South)
WHEN: Friday, July 10 at 7 pm through Monday, July 13 at 4 am
WHAT: Lane restrictions in both directions.
WHY: Bridge work

For more information: 801-526-6197 and refer to the "Pothole Patching, Membrane & Overlay" project.
For more information: 801-526-6197 and refer to the "Pothole Patching, Membrane & Overlay" project.

Interstate 215

I-215 WEST, 4700 SOUTH TO SR 201; SURFACE IMPROVEMENT

GENERAL INFORMATION: Construction crews will be performing concrete grind work along I-215 between 4700 South and SR-201. Once complete, this project will extend the life of the concrete pavement and provide a smoother driving surface. The project's estimated completion date is mid-September.

Most work is expected to take place anytime between 7 pm – 12 noon the following day. By working at night, daytime traffic will experience fewer delays and construction will be completed more quickly and efficiently.

During construction, I-215 will be reduced to two lanes; when no construction is taking place, lane restrictions will be lifted and restored to four lanes. Two traffic lanes will be open throughout the weekends.

**UPCOMING:
NIGHT WORK**

Because of large traffic volume UDOT is unable to perform all repair work during daytime hours. Nighttime work will include drilling, grinding, some jack-hammering, moving of construction equipment, and lighting. Construction crews will minimize noise impacts by quickly completing work and will only be in specific locations for approximately 2 hours at a time.

Public Involvement Manager: Carlye Sommers
(801) 706-2583
i-215west@hwlochner.com

S.R. 201

SR 201, Bangerter Highway to 5600 West

ONGOING: UDOT is adding one lane in each direction. Traffic has been shifted to the north side of the freeway. There will be no work taking place from July 3-6 in observance of the 4th of July holiday.

Reversible lanes are in effect providing:

- Two eastbound lanes and one westbound lane during the morning commute
- Two westbound lanes and one eastbound lane during the evening commute

Ramp closures:

- 5600 West eastbound on-ramp is closed through August
- Bangerter Highway eastbound off ramp closed through August

For questions, contact the project team at:
Cell Phone: (801) 706-2583
Email: I-215west@hwlochner.com

SR 201, SR 202 to I-80

UPCOMING: UDOT will add one lane in each direction.

Monday, June 29 to Friday, July 3, watch for shoulder work, no lane restrictions. Crews will place the traffic control and begin locating utilities.

GENERAL INFORMATION:

A full closure of SR-201 will be needed to complete this project. The closure is anticipated to begin mid-July. Traffic traveling east on I-80 will not be able to access eastbound SR-201. Traffic traveling west on SR-201 will need to use SR-202 to reach I-80 westbound. This project is scheduled for completion in November 2009.

For more information, contact:
Carlye Sommers
Public Involvement Manager
(801) 706-5673
SR-201widening@hwlochner.com

SR 201 AT 6900 WEST; SIGNAL/LIGHTING UPGRADE

WHERE: SR 201 at 6900 West
WHEN: Now through -09 weather permitting.
Operation Hours: 9 a.m. to sunset

WHAT: Median work, no lane closures
WHY: Lighting upgrade

Contact: Contractor CVE, Billy Loertscher, 801-870-4938

SURFACE STREET PROJECTS

Bangerter Highway

BANGERTER HIGHWAY SOUTH AT THE JORDAN RIVER, CONCRETE REPAIR

WHERE: Bangerter Highway South at and near the Jordan River
WHEN: Currently through mid-July
WHAT: Bangerter Highway restricted to 2 lanes in the project area with traffic control in place at all hours for the safety of the driving public
WHY: Concrete repairs at the river crossing
L. Limberis, 2270

Redwood Road

SR 68, BANGERTER TO SARATOGA SPRINGS, WIDENING AND RECONSTRUCTION

NOTE: To facilitate holiday travel, crews will be off the road beginning on Friday, July 3. Work will resume on Monday, July 6. For the safety of the traveling public, traffic control will remain in the work zone during this period.

UPCOMING

Activation of the new traffic signal at Harvest Hills is pending.

CONTINUING

Watch for lane shifts and one-way flagging along the entire project route.

WHERE: Intersection of SR 68 & SR 73
WHEN: Currently
WHAT: --Traffic switches on both roads with traffic restricted to 1 through lane and 1 left turn lane in each direction
WHY: Intersection reconfiguration

WHERE: Westbound left turn lane from Bangerter to Redwood Road
WHEN: Now through July
WHAT: Restricted to one lane
WHY: Roadway safety

WHERE: Redwood Road from Bangerter to 400 South in Saratoga Springs
WHEN: Currently
WHAT: --Watch for intermittent lane restrictions with flaggers directing traffic
WHY: Crews are working at various locations along the roadway

OVERVIEW

WHERE: Redwood Road from Bangerter Highway to 400 South in Saratoga Springs
WHEN: Weekdays during daylight hours with anticipated completion in fall 2009
WHAT: --Watch for shoulder closures on northbound and southbound Redwood Road
--Be prepared to stop for flagging operations as trucks and heavy equipment enter and leave the roadway through October
WHY: This project will widen Redwood Road to 2 lanes in each direction with a center median, shoulders, bike lanes throughout and wildlife crossings in high-impact areas
NOTE: --Speed limits have been reduced to 55 mph in the project limits with fines doubled for violations
--Watch for trucks and heavy equipment entering and exiting the roadway. Be prepared to stop for flaggers.
--A wide load restriction is in effect. If you must travel through the area with a wide load please call ahead at 801-455-3116.

Motorists are reminded to avoid blocking the intersections during intermittent closures and flagging operations.

CONTACT: The SR-68 Public Information Team, 801-455-3116, by email at, sr68info@langdongroupinc.com , or visit the project Website at, www.udot.utah.gov/sr-68south

FOOTHILL

FOOTHILL BLVD, 1300 E TO SUNNYSIDE; RESURFACING

UPCOMING: Crews will re-surface starting late August/early September.

500 AND 600 SOUTH

WEST TEMPLE, 500 SOUTH AND 600 SOUTH, RESURFACING

Crews are milling off the old road surface and installing new asphalt.

WEEKDAYS: Crews will be off the project during weekday peak travel times. Two lanes will be open during non-peak times on week days.

WEEKENDS: lane restrictions may be in place at all hours.

Road users are advised to use 1300 S to access I-15.

For more information, call Dave Asay: 1 800 292-3557

700 East

700 East, Carnation to 11400 South & 2300 East Intersection

WHERE: 700 East, Carnation to 11400 South & 2300 East Intersection
WHAT: Road widening and Intersection reconstruction
WHEN: Start-up, late fall 2009 and runs through late 2010
WHY: To improve safety and traffic flow in the area
CONTACT: Call 801-448-2188, or visit the project Web site, www.udot.utah.gov/700east
R. Ruby, 2561

1300 East

1300 EAST, CREEK ROAD TO 10500 SOUTH, RECONSTRUCTION, LOCAL GOVERNMENT PROJECT

CONTINUING

Current activities, taking place between Creek Road and 8600 South include temporary fencing and wall removal, roadway patching, installing electrical boxes and wiring for street lights

NOTE: Sidewalks are closed along the project route between Creek Road and 8600 South while the new sidewalks are installed. Please follow the signs and detour to side streets.

ONGOING

WHERE: 1300 East, Creek Road to 10500 South
WHEN: Weekdays during daylight hours with completion projected for fall 2010
WHAT: --Work has begun on the north end of the project, **between Creek Road and 8600 South**, and moves south as each of three successive segments is completed
--Watch for intermittent shoulder and lane restrictions
WHY: Corridor reconstruction and enhancement

CONTACT: Aubrey, 801-904-4213, by email, 1300east@utah.gov , or visit the project Website, www.udot.utah.gov/1300east

3300 SOUTH

3300 SOUTH, 300 EAST TO HIGHLAND DRIVE; REPAIR AND SEAL COAT

Crews will be placing a final seal coat over the asphalt and doing minor repair on a soft spot at 500 East and 700 East. Work will begin July 13 and continue through August. For questions, call 1800-278-4282 or email hotline9@msn.com
-- Lee, 2530

3500 South

3500 SOUTH; BANGERTER TO 2700 WEST, ROADWAY WIDENING

Due to safety issues, pedestrian access along the corridor is closed. Please follow posted alternate route signs to access businesses.

UPCOMING: Traffic will switch to the new pavement.

ONGOING:

- Turn restrictions at 2700 W, 3200 W and 3450 W
- Variable lane shifts during non-peak hours

Reversible travel lanes have been implemented and provide:

- Two lanes eastbound for the morning commute
- Two lanes westbound for the evening commute

NOTE: The speed limit has been reduced to 35 miles per hour in the work zone and will be enforced by local law enforcement.

All business accesses will be maintained and motorists can also access businesses via 3100 South or Lancer Way (3650 South).

MORE LANES, MORE OPTIONS: This project adds a westbound and eastbound general purpose lane and two center-running dedicated Bus Rapid Transit lanes.

Information: www.udot.utah.gov/3500south. For specific questions or concerns, contact the Public Information Team at 3500southinfo@utah.gov or 801-608-6369.

UTA TRAX Construction – For information about construction taking place between West Valley City Hall and the Public Safety Building, on Market Street and on 2700 West, see <http://rideuta.com/projects/westValleyLightRail/construction.aspx> or call 1(800) 888-8854

7800 South/NEW BINGHAM HIGHWAY, 4800 WEST TO 2700 WEST, UTILITY WORK AND RESURFACING

UPCOMING: UDOT will partner with West Jordan City and Jordan Valley Water Conservancy district provide drainage and utility improvements, a new road surface, curb, gutter and sidewalks and new lanes at Bangerter Highway. For project information, call 1 888 424-6442 or 888-4 Bingham.

8400 WEST (SR 111)

8400 West (SR-111) 3500 SOUTH TO SR 201; RESURFACING

WEEKDAY WORK: One lane will be open in each direction while crews mill and pave.

One lane will be open in each direction during peak travel times. Watch for flaggers directing traffic in intersections during non-peak times..

For more information, call 801-910-2009
John, --2570

10400 SOUTH

10400 SOUTH, BANGERTE HIGHWAY to REDWOOD ROAD; WIDENING

Traffic is restricted to one lane in each direction where construction is occurring. Flaggers may occasionally stop traffic to accommodate construction activities. Be aware of trucks and heavy equipment entering the roadway. Weather has slowed concrete paving. A number of construction activities are happening at 2700 West – proceed with caution.

The speed limit has been reduced to 25 mph, even in areas with new concrete. Local officers are enforcing this speed limit!

CONTACT: Project hotline: 888-311-0115, Email: 10400south@horrocks.com,
Website: www.udot.utah.gov/10400south

11400 South

11400 SOUTH, STATE STREET TO BANGERTE HIGHWAY

NOTE: To facilitate holiday travel, crews will be off the road beginning on Friday, July 3. Work will resume on Monday, July 6. For the safety of the traveling public, traffic control will remain in the work zone during this period.

NEW

- 3200 West reopens to 11400 South
- The south corner of 11400 South & 1300 West is currently closed for utility work. Right turns from eastbound 11400 South to 1300 West are restricted. Use Redwood as an alternate route.
- Trent Drive reopens at 11400 South by Friday July 3

CONTINUING

- Intermittent flagging operations at 700 west
- Watch for 1-way flagging operations on 11400 South under and I-15 Bridge

ONGOING:

WHERE: 11400 South from State Street to 3600 West
WHEN: --Mondays through Saturdays from 7 a.m. to 6 p.m. with schedules subject to change and occasional night work.
--Completion is anticipated in fall 2010.
WHAT: Watch for flagging operations and intermittent closures along the project route
WHY: UDOT will complete the 11400 South Corridor between 700 West and 1300 West and widen the roadway from State Street to Bangerter Highway. The project also includes the construction of a new freeway interchange on I-15 at 11400 South (For information on that portion of the project please see listing under "I-15".)

WHAT: Mirror Lake Hwy is now open for the season
WHY: Warmer weather has allowed crews to clear the road. The road will close again this fall as weather conditions make it impassable.
T. Page, 2370

EAST CANYON (SR 65), OPEN

WHERE: East Canyon Road, SR 65
WHEN: Open for the season
WHAT: East Canyon Road has reopened for the season.
WHY: Warmer weather has melted the snow to once again make the road passable. The road will close again late next fall as weather conditions make the road unsafe to travel.
R. Frantz, 2340

LOCAL GOVERNMENT / PERMIT PROJECTS

The following projects are under the direction local governments with UDOT oversight or private projects that have received permits for work in UDOT right-of-way.

UTAH TRANSIT AUTHORITY (UTA) PROJECTS

UTA is under construction on several new TRAX extensions that will connect the existing light-rail lines to new Salt Lake International Airport, Mid-Jordan (Murray, Midvale, West Jordan and South Jordan), and West Valley lines. Commuter Rail South, which will extend from Salt Lake to Provo is also under construction. See www.rideuta.com for more information.

UTILITY WORK:

9000 S 1475 West -- Waterline break. Intermittent lane closures during non-peak travel time; Jordan Valley Water Conservancy District

SPECIAL EVENTS:

Road closures for holiday parades:

6/27 - 5400 South 1700-2700 West - 8:30-11 - Taylorsville Dayzz parade
7/3 - SR 68 (SR 154-126000 S) 5:30-9 Riverton Parade
7/4 - SR 89 (4800-6100 S) 8-11 Murray Parade
7/4 - SR 138 (Clark - Church) 10-1 Grantsville Parade
7/4 - SR 32 (Oakley park - Center St) 9:30-1200 ~ Oakley Parade
7/4 - SR 68 (7000-8000 S) 10:30-1:30 West Jordan Parade

Summit County

MIRROR LAKE HIGHWAY (SR 150), OPEN

WHERE: Mirror Lake Highway (SR 150)
WHEN: Open for the season
WHAT: Mirror Lake Hwy is now open for the season

WHY: Warmer weather has allowed crews to clear the road. The road will close again this fall as weather conditions make it impassable.
T. Page, 2370

US 40, I-80 TO QUINN'S JUNCTION

NOTE: To facilitate holiday travel, crews will be off the road from Thursday, July 2 at 3 p.m. through Monday, July 6 at 6 a.m. For the safety of the traveling public, traffic control will remain in the work zone during this period.

UPCOMING

Watch for restrictions on the on- and off-ramps at Quinn's Junction

ONGOING

WHERE: US 40, I-80 to Quinn's Junction

WHEN: Regular working schedule, Monday through Friday during daylight hours and possible weekend and night work

WHAT: US 40 restricted to 1 lane in each direction

WHY: Grinding will smooth the surface of the road for a better ride, and improve safety in the area

CONTACT: This is an Innovate 80 Project. For more information call 1-888-I80-UDOT (480-8368) or visit the Innovate 80 Website, www.udot.utah.gov/innovate80, or email Innovate80@utah.gov

I-80, ECHO TO EMORY, RESURFACING

NOTE: To facilitate holiday travel, crews will be off the road from Thursday, July 2 at 3 p.m. through Monday, July 6 at 6 a.m. For the safety of the traveling public, traffic control will remain in the work zone during this period.

WHERE: I-80, Echo to Emory

WHEN: Regular hours of operation are Monday through Saturday, 7 a.m. to 6 p.m., with Sunday work as necessary to complete the project.

WHAT: I-80 restricted to 1 lane in each direction

NOTE: -- Eastbound I-80 Restrictions lifted on Fridays at noon
-- Westbound I-80 Restrictions lifted on Sundays at noon

WHY: Resurfacing

CONTACT: This is an Innovate 80 Project. For more information call 1-888-I80-UDOT (480-8368) or visit the Innovate 80 Website, www.udot.utah.gov/innovate80, or email Innovate80@utah.gov

ECHO BRIDGES, BRIDGE CONSTRUCTION AND REPLACEMENT

NOTE: There will be no work on this project during the holiday weekend.

WHERE: Eastbound & westbound bridges at Echo

WHEN: Regular hours of operation are Monday through Saturday, 7 a.m. to 6 p.m.

WHAT: --Currently no impacts on mainline I-80

--The roadway is restricted to 1 way flagging under the bridges

WHY: New bridges are being constructed on-site and slid into place following the demolition of the old bridges.

NOTE: Placement of the new bridges will take place in October

CONTACT: This is an Innovate 80 Project. For more information call 1-888-I80-UDOT (480-8368) or visit the Innovate 80 Website, www.udot.utah.gov/innovate80, or email Innovate80@utah.gov

GUARDSMAN'S PASS FROM PARK CITY BRIGHTON, OPEN

WHERE: Guardsman's Pass from Park City to Brighton
WHEN: Open for the season
WHAT: Guardsman is now open from Park City to Brighton.
WHY: Warmer weather has allowed crews to clear the road. The road will close again this fall as weather conditions make it impassable.
G. Priskos, 2330

Tooele County

UPCOMING:

SR 36, ARMY DEPOT TO 1000 NORTH; MICROSURFACE

Work will start spring/summer and be completed by October.

SR-112, SR138 TO RAILROAD TRACKS; WIDENING AND OVERLAY

Work will start spring/summer. Completion is scheduled for Oct. 15 2009

SR138, I-80 to SR-36 RUMBLE STRIP SAFETY IMPROVEMENT

WHERE: SR-138 between I-80 and SR-36
WHEN: Currently, daylight hours (7AM - 6PM) through May
WHAT: Moving operation with intermittent shoulder closures and flagging operations.
WHY: Centerline/shoulder rumble strip installation to improve safety and reduce potential for run-off road crashes.
